Our Approach

The Tri-State Baptist Academy is born out of a Pastor's desire to provide a solid academic foundation for the children of our congregation, while at the same time investing in the spiritual and character needs of the next generation.

We will do that through the proven structure and approach of the A Beka Book Curriculum (abeka.com).

We firmly believe that education is a joint responsibility of the home, church, and school. We plan to develop a good working relationship with parents and we strive to achieve the highest quality education for your child/children. Our chosen curriculum and guidelines are all designed to meet that goal.

How does a student enroll?

This being our first year, we are going to limit the enrollment to the first 20 children (depending upon grade enrolled) and will be offered on a first-come, first served basis. Enrollment packets may be picked up at the Church office beginning in May. A \$60.00 registration fee is due when the enrollment card is returned. This fee is nonrefundable and nontransferable and will hold the student's place until the first tuition payment is due in August. A meeting with the Pastor will be scheduled and any questions you may have will be answered. Students enrolling in the K5 program must be 5 on or before September 1st. Entrance tests will be schedule for all incoming students.

What is the cost?
